

Rainforests

The children have found out that they will be planning and creating a tour of the Rainforest. In order to create their expedition children will explore animals and plants that live in the Rainforest. They will raise questions to learn about different habitats, ask questions and use these ideas to create their tour.

The children will be hosting a tour of the Rainforest on **Wednesday 22nd May**. You are welcome to visit anytime between **2.30pm and 3.10pm**. We hope you will be able to join us.

Family Learning: Create a Rainforest scene (no bigger than the size of a shoe box!)

Child Challenge:

Write an explanation of your rainforest

Parent Challenge:

Question your child to discuss the rainforest that they have created and the different layers of the Rainforest

Joint Challenge:

Evaluate the finished Rainforest scene, saying what worked well and how it could be improved.

The project is due in on **Friday 10th May 2019**.
