

There Must Be More

In Foundation Stage, our project is called 'There Must Be More' and we will be learning about the last few weeks of Jesus' life. We will be learning about Palm Sunday, the Passover meal, the crucifixion of Jesus and the rising of Jesus. We will be looking at how different people behaved at this time and how we can always change for the better.

Child Challenge:

Your child will need to draw an Easter picture to show how they celebrate Easter. Your child can use whatever medium they like. Please bring into school on **Monday 1st April.**

Parents Challenge:

Please could you upload your discussion about Easter or other religious Festival to Tapestry by **Monday 1st April.**

Family Learning

For Family Learning, we would like you to discuss what family traditions you have at Easter. If you do not celebrate Easter, please discuss another religious festival that you do celebrate.

Joint Challenge:

Speak to a family member about their memories of Easter or another religious festival. What similarities and differences are there? Add this to the back of your drawing to share at school.
